Dear Mr. Safnuk,

I appreciate the time and effort that Council has taken to successfully recruit a President for the Premier's Technology Council ("PTC").

Given the importance of the PTC's work, identifying a candidate with both the public and private sector credentials to undertake the work is not an easy task. This person must understand the operational issues that the private sector faces and be able to develop appropriate public policy recommendations. Louise Turner's appointment is a reflection of these attributes.

I understand that the recruitment process was undertaken as a pro bono contract, at no cost to the PTC, and was performed by your firm, Corporate Recruiters Ltd.

I wish to thank you, Tim Swanson and Kimberley Brooks for your efforts in recruiting a highly qualified candidate for this role.

Sincerely,

Christy Clark  
Premier of British Columbia  
Chair, Premier's Technology Council
